

US Freight is a rapidly growing Transportation and Third Party Logistics provider based out of Cleveland, Ohio. Our roots are in produce, where we have provided and continue to provide reliable refrigerated transportation for clients with time specific requirements. Our commitment to improve operational standards has propelled us into many industries with greater service offerings and custom supply chain solutions.

WHY GO US FREIGHT?

Unparalleled Customer Service

Simply Put, We're Always Moving.

Our dedicated support team operates as a true extension of your Logistics Department. We put in the time and effort to understand your business, anticipate your needs and deliver an exceptional customer experience. Always.

You Are At The Center Of Our Success

The leaders at US Freight have been in your shoes and understand how to address your critical priorities. This mindset and experience is the foundation of our culture and success. We are passionate about your business and treat it as if it were our own. Always.

At US Freight, you are the center of everything we do. We understand your needs are unique, and the "one size fits all" approach won't do. You've probably already tried it.
